3. Separate envelope should be used for Technical Bid as well as for financial Bid. The word "TECHNICAL BID/ FINANCIAL BID due date of opening shall be prominently marked on the top of envelope and both these sealed envelopes (Technical Bid and financial bid) should further be put in a bigger envelope duly sealed and super scribed properly. Tender envelop(s) must be sealed and super scribed "TENDER FOR STAGE WORK" which shall be addressed to **The Member Secretary cum Principal Govt. ITI Bangana Distt. Una H.P -174307.**
4. Evaluation of Technical Bid will be followed after verification of documents.
5. The Member Secretary cum Principal does not bind himself to accept the lowest or any other tender, and reserves to himself the authority to reject any or all the tenders received, without assignment of any reason
6. The time allowed for the carrying out of the work will be **Two Months** from the fifteenth day after the date of written orders to commence the work.
7. The rates and amounts should be quoted both in figures as well as in words by the tenderer in tender by them. The total amount for each item should be worked out and the requisite total be given.
8. The tender must be accompanied with earnest money in the shape of DD/ FDR duly pledged in the name of Member Secretary cum Principal, Govt. ITI Bangana payable at Bangana. The Tender without earnest money shall not be entertained and shall be summarily rejected.
9. The offer of the tender shall be kept open for 120 days. The Member Sec cum Principal reserves the right to reject the tender without assigning any reason.
10. In case on 24-03-2021 happens to be holiday, the tender will be received and opened on the next working day
11. The contractor whose tender is accepted will be required to furnish performance security equal to 10% of work cost in the shape DD/FDR duly pledged in the name of Member Secretary cum Principal Govt. ITI Bangana. This retained security deposit will be refunded after defect liability period of 1 year after the date of completion of work subjected to no defects have been found in the completed works / defects have been rectified by the agency free of cost during the defect liability period. Defect liability period is one year from the date of completion of work
12. The earnest money of successful bidder will be adjusted toward the performance security.
13. The earnest money of the bidders whose tender has not been approved/qualify would be returned after proper scrutiny.
14. **Forfeiture of earnest money:** (1) If any tenderer withdraws his tender before the expiry of the validity period, or before the issue of letter of acceptance, whichever is earlier, or makes any modification in the terms and conditions of the tender which are not acceptable to the Institute, then

the Institute shall, without prejudice to any other right or remedy, be at liberty to forfeit the earnest money absolutely.

(2) If contractor fails to furnish the prescribed performance guarantee within the prescribed period, the earnest money is absolutely forfeited to the Institute automatically without any notice. (3) In case of forfeiture of earnest money as prescribed in 1 and 2 above, the bidder shall not be allowed to participate in the retendering process of the work.

15. Intending bidders are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their bids
16. A bidder shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charge consequent on any misunderstanding or otherwise shall be allowed. The bidder shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity access, facilities for workers and all other services required for executing the work
17. G.S.T. or any other tax on materials in respect of this contract shall be payable by the contractor himself and ITI will not entertain any claim whatsoever in this respect. GST shall be deducted from each bill at notified rates on the gross amount of work done.
18. The Goods and Service Tax (G.S.T.) is applicable and will be deducted at the rate applicable in Govt. Notification for G.S.T.
19. The contractor must produce valid G.S.T. registration from appropriate authority while submitting the original tender documents in Cover-I
20. The statutory deductions of I-Tax shall be done from bills of contractor
21. Rates-quoted by the contractor-in item-rates tenders in -figures and words shall be accurately filled in so that there is no discrepancy in the rates written in figures and words. However, if a discrepancy is found, the rates, which corresponds with the amount worked out by the contractor, shall be taken as correct
22. If the amount of an item is not worked out by the contractor or it does not correspond with the rate written either in figures or in words then the rate quoted by the contractor in words shall be taken as correct.
23. Where the rate are quoted by the contractor in figures and in words but the amount is not worked out correctly, the rates quoted by the contractor in words will be taken as correct and not the amount
24. The rate (s) and/or amount(s) must be quoted in decimal coinage for each item of work.
25. The rates quoted shall be inclusion of all taxes, duties and G.S.T. Nothing shall be paid extra on a/c of travelling, transportation of unit etc.).
26. Canvassing whether directly or indirectly, in connection with bidders is strictly prohibited and the bids submitted by the contractors who resort to canvassing will be liable for rejection.
27. The competent authority on behalf of IMC reserves to himself the right of accepting the whole or any part of the bid and the bidders shall be bound to perform the same at the rate quoted
28. The contractor has to produce the enlistment of competent authority in appropriate class valid at the time of tender
29. The tenderer shall also enclose the latest Income Tax Clearance Certificate.
30. Tenders submitted after the due date shall not be considered for bidding and shall be rejected.
31. Any kind of malba/scrap arising out of maintenance work will be removed by the tenderer at his own cost and risk.
32. The tenderer will be responsible for timely deduction and deposit of ESIC/PF of the manpower deployed by tenderer
33. **Safety, Security and Protection of the Environment:** The Contractor shall, throughout the execution and completion of Works and the remedying of any defects therein:
 - i) Have full regard for the safety of all persons entitled to be upon the Site and keep the Site (so far as the same is under his control) and the Works (so far as the same are not completed or occupied

by the Employer) in an orderly state appropriate to avoidance of danger to such persons, and ii) Provide and maintain at his own cost all lights, guards, fencing, warning signs and watching, when and where necessary or required by any duly constituted authority for the protection of the Works or for safety and convenience to the public or others, and
iii) Take all reasonable steps to protect the environment on and off the Site and to avoid damage or nuisance to persons or to property of the public or others resulting from pollution, noise or other causes arising as a consequence of his methods or Repair.

34. **Damage to Persons and Property :** The sole responsibility lies with the contractor of the persons employed by his agency/firm against all losses and claims in respect of:

(a) Death of or injury to any person, or (b) Loss or damage to any property (other than the Works): Which may arise out of or in consequence of the Repair and Maintenance of the works and the remedying of any defects therein, and against all claims, proceedings, damages, costs, charges and expenses whatsoever in respects thereof.

35. **Accident or injury to Workmen:** The Employer shall not be liable for or in respect of any damages or compensation payable to any workman for death or injury resulting from any act or default of the contractor. The Contractor shall indemnify and keep indemnified the Employer against all such damages and compensation and expenses whatsoever in respect thereof or in relation thereto. ITI Bangana shall not be liable for or in respect of any damages or compensation payable to any workman under Compensation – Act for death or injury resulting from any act or default of the contractor. The contractor shall indemnify and keep indemnified the ITI Bangana against all such damages and compensation and expenses whatsoever in respect thereof or in relation thereto

36. **Defect Identification and its rectifications:** The Contractor shall immediately attend the defects and complaints noticed at site and its immediate rectification Defect Liability period shall be 12 months from the date of the completion of work under BOQ measurable works. The contractor shall rectify at his own expenses any defect in the work carried out by him during this period. On failure of the contractor to do so, the same shall be completed by the employer at the risk and cost of the contractor

37. If the performance of the contract is not satisfactory and not corrected within 15 days of receiving notice, then employer shall be at liberty to terminate the contract and get the work executed through other means at the risk and cost of the Contractor.

38. HPPWD/CPWD specifications shall be followed as the case may be. Where not available, BIS/Engineering practice shall be followed

39. As the work will have to be carried out in building and area in use the contractor shall ensure:-

a) That the normal functioning of ITI activity is not effected as far as possible.

b) That the work is carried out in an orderly manner without noise and obstruction to flow of traffic.

c) That all rubbish etc. is disposed off at the earliest and the place is left neat, proper clean and orderly at the end of each day's work.

d) The contractor shall ensure that his staff is qualified and licensed for their part of work. He shall be responsible for their conduct. The staff should behave in a courteous manner. The contractor shall be held responsible for any loss or damage to ITI property.

e) The contractor shall ensure safety of his workers and others at site of work and shall be responsible for any consequence arising out of execution of the Repair and Maintenance work.

40. Being a repair work all precautions, as not to damage the property, shall be taken by the contractor. If any damage is done to any structure etc., the same shall be made good by the contractor at his own cost and to the entire satisfaction

41. Royalty at the prevalent rate shall have to paid by the contractor on the boulders metal, single, sand and bajri etc. or any other material where royalty is payable collected by him for the execution of

- the work direct to the revenue authority of the Mining Department of HP Government
42. The contractor(s) shall make his/their own arrangements for unfiltered water/ electricity required for the work and nothing extra will be paid for the same.
 43. No compensation shall be payable to the contractor for any damage caused by rains, lighting, wind, storm: floods, earthquakes or other natural calamity during execution of work. He will make good all such damages at his own cost and no claim on this account will be entertained.
 44. All local laws and regulations are to be observed regularly and strictly. This work is a purely Labour contract and hence the labour employee shall be purely bonafide worker of the successful tender and no claim for a in the department shall be entertained at any stage.
 45. All the local labour by laws, safety rules by laws have to be obeyed. Any fine/ penalty imposed by such bodies shall be paid by the agency and nothing will be payable/ reimbursed by the institute.
 46. If it is observed at any stage that the quality of work is not satisfactory, the contract / work order as a whole will be terminated and security deposit will be forfeited. The Contractor will have no claims whatsoever on ITI
 47. If the contractor fails to complete the work and clear the site on or before the contract or extended date of completion, he shall, without prejudice to any other right or remedy available under the law to the government on account of such breach pay as agreed compensation the amount calculated as the rates stipulated below Compensation for delay of work
(i) @ 3% per month of delay to be computed on per day basis.
 48. The Contractor and his staff shall follow the rules and regulations of the ITI in force and instructions issued from time to time. ITI will be free to take action against the Contractor for violating the same.
 49. The Institution reserves the right to discontinue /terminate the contract without assigning any reason by giving a notice of one month.
 50. As Institution is covered under the scope of RTI act, it is expected that the contractor shall keep all the records properly indexed and maintained in specific manner so that copies can be extracted as and when required.
 51. The contractor shall not engage any sub-contractor or transfer the contract to any other person in any manner
 52. List of Preferred makes for material related to civil/ sanitary works. (As per approval of Govt. vide letter No. PBW(B)C(17)2/2012 dated 07/08/2018.
 53. **Submission of original documents:** The bidders are required to submit (i) original receipt towards deposit of cost of tender documents (ii) original receipt towards deposit of earnest money, Valid Registration in appropriate Class of contractor, Valid GST Registration certificate, Work Done certificate of similar nature of work in last 03 years duly signed, PAN Number, failing which the tenders will be declared non-responsive
 54. All disputes are subject to the jurisdiction of the Courts at Una.

CORRUPT OR FRAUDULENT PRACTICES: a) The Tendering Authority will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract in question.
